

# **MANUFACTURING WARRANTY POLICY 2024**

## **GENERAL COVERAGE TERMS**

This warranty covers manufacturing defects in materials and workmanship for all equipment manufactured by our company during the 2024 production year.

## **WARRANTY DURATION:**

### **WHAT IS COVERED:**

- ✓ Manufacturing defects in materials
- ✓ Workmanship failures
- ✓ Premature component wear beyond normal limits
- ✓ Engine mechanical failures (not due to operator error)
- ✓ Hydraulic system component failures
- ✓ Electrical system malfunctions
- ✓ Transmission and drivetrain defects

### **WHAT IS NOT COVERED:**

- ✗ Normal wear and tear
- ✗ Operator misuse or abuse
- ✗ Lack of scheduled maintenance
- ✗ Environmental damage (flood, fire, extreme weather)
- ✗ Modifications not authorized by manufacturer
- ✗ Use of non-genuine parts
- ✗ Accidents and impact damage

## **MAINTENANCE REQUIREMENTS:**

To maintain warranty coverage, equipment must receive scheduled maintenance according to the manufacturer's maintenance schedule. Failure to maintain equipment may void warranty coverage.
